SECTION 1. LETTER OF INVITATION

RFP No. [Insert Number]

[Insert Date], Islamabad

1. The purpose of this Request for Proposal (the “RFP”) is to solicit proposals from interested bidders for providing **construction, renovation, repair, refurbishment, and fit-out services** for Karandaaz Pakistan and/or its designated project site(s). The RFP is designed to assess whether bidders are able to provide the goods and services required (hereinafter jointly and severally referred to as the “Services”), and through a competitive and fair assessment, select a winning bidder for the Services for a fixed-price contract.
2. Karandaaz Pakistan invites sealed proposals from interested and eligible bidders. Further details on the Services required are provided in the Terms of Reference (Section 4 of this RFP).
3. The bidder will be selected, in accordance with the Procurement Policies and Procedures of Karandaaz Pakistan (the “KRN Policy and Procedures”). In the event of any conflict or inconsistency in terms and conditions of the RFP and the KRN Policy and Procedures, the KRN Policy and Procedures shall prevail.
4. Karandaaz Pakistan anticipates issuing a Fixed Price Contract.
5. An award will be made based on the Quality and Cost Based Selection method.
6. This RFP is only an invitation to the prospective Bidders to submit their proposal. It primarily contains indicative terms for the Bidders to submit their proposals and does not confer any rights to the Bidders. Any information contained in the RFP or provided to the Bidders is on the terms and conditions set out in this RFP. Karandaaz is providing this RFP without any warranty or representation, express or implied, as to its content, its accuracy or completeness and may at its absolute discretion, but without being under any obligation to do so, update, amend or supplement the information of this RFP.
7. Both technical and financial proposals must be submitted in a hard copy and electronically through email with subject: **“Hiring of a Contractor/Firm for Construction, Renovation, and Fit-Out Works for Karandaaz Pakistan”** on or before the closing date. Bidders must prepare one hard copy of the technical proposal and one hard copy of the financial proposal, and submit them in separate sealed envelopes to the attention of **The Procurement Department** at Karandaaz Pakistan’s designated address. Bidders must also submit electronic copies of technical and financial proposals through email at procurement@karandaaz.com.pk. Password-protected electronic copies of financial proposal shall also be submitted, and the

password will be requested by Karandaaz procurement department at the time of financial opening, if needed.

Yours sincerely,

The Procurement Department

Karandaaz Pakistan

SECTION 2. INSTRUCTIONS TO BIDDERS

A. General

1. Scope of Proposal

Karandaaz Pakistan issues this Request for Proposals (the “RFP”) for the following Services: **construction, renovation, repair, refurbishment, interior fit-out, and related civil works** at designated premises or project locations of Karandaaz Pakistan. Throughout this RFP:

- i. The term “in writing” means communicated in written form (e.g., by mail, e-mail, fax).
- ii. “Day” means calendar day.

2. Fraud and Corruption

Bidders shall comply with Karandaaz Pakistan’s policy regarding fraud and corruption set out in Section 3 of the RFP.

3. Eligibility

Karandaaz Pakistan may specify certain minimum qualification criteria in the Terms of Reference in Section 4 of the RFP, including minimum years of relevant experience, turnover, registrations, and technical capacity. Bidders shall be under an obligation to disclose to Karandaaz Pakistan any situation of actual or potential conflict that impacts their capacity to perform in accordance with Karandaaz Pakistan’s best interests or pose a conflict of interest. Failure to disclose such situations may lead to the disqualification of a bidder or the termination of its contract.

4. One Proposal Per Bidder

An entity can participate only in one bid: as a single bidder, as a lead in a consortium/joint venture, or as a partner in a consortium/joint venture. Partnership firms or similar entities in different jurisdictions which work under a common brand name or are part of an affiliated network will be regarded as a single entity and may not participate in more than one bid. Similarly, associates and subsidiaries of an entity will be regarded as part of a group and may not participate in multiple bids. Bidders may ask for clarification and any decision in this regard by Karandaaz Pakistan shall be deemed final. Karandaaz Pakistan will not allow sub-contracting under any circumstances unless expressly permitted in writing.

5. Cost of Preparation of Proposal

The bidder shall bear all costs associated with the preparation and submission of its proposal. Karandaaz Pakistan shall not be responsible or liable for any such costs, regardless of the conduct or outcome of the bidding process.

B. Request for Proposal

7. Clarification of RFP

All questions and/or clarifications regarding this RFP must be submitted via email to procurement@karandaaz.com.pk no later than the date specified in the invitation letter. All correspondence and/or inquiries regarding this solicitation must reference the RFP number. No phone calls or in-person inquiries will be entertained; all questions and inquiries must be in writing. Questions and requests for clarification—and the responses thereto—will be uploaded on Karandaaz Pakistan's website on the response date. Only written answers will be considered official and carry weight in the RFP process and subsequent evaluation.

8. Amendment of RFP

At any time prior to the deadline for submission of bids, Karandaaz Pakistan may amend the RFP by issuing an Addendum. Any Addendum so issued shall be part of the RFP and will be sent directly to the bidders via email. To give prospective bidders reasonable time to take an Addendum into account in preparing their bids, Karandaaz Pakistan may, at its discretion, extend the deadline for submission of bids.

C. Preparation and Submission of Proposals

9. Language of Proposal

All documents relating to the proposal shall be written in the English language.

10. Documents Comprising the Proposal

A proposal shall consist of the following:

1. Technical Pre-qualification Documents

- I. Proposal submission form (Annexure A).
- II. Valid registration/incorporation documents, tax registration certificates, and proof of active taxpayer status.
- III. Minimum legal existence of the bidder as specified in the Terms of Reference.
- IV. Audited financial statements for the last three years.
- V. Proof of similar construction, renovation, or fit-out projects completed in the last five years.
- VI. List of key personnel proposed for the assignment, with CVs and experience details.
- VII. Undertaking that the bidder has not been blacklisted (Annexure B).
- VIII. Conflict of Interest Form (Annexure C).
- IX. Related Party Disclosure (Annexure D).
- X. Declaration of availability to work within the stipulated timeframe.
- XI. Consortium documents, if applicable, including agreement and power of attorney.
- XII. Valid licenses, registrations, and professional certifications required for construction works.
- XIII. Health, safety, and environmental policy of the bidder.
- XIV. List of equipment and resources available for execution of the assignment.

2. Technical Proposal

- f. Requirements for Joint Venture / Consortium Agreement, if applicable.
- g. Proof of partnerships, MOUs, LOIs, or executing arrangements, if applicable.
- h. Duly filled and signed annexures as attached with this RFP.

3. Financial Proposal

The financial proposal must be fully comprehensive, complete, and list any available discounts. Pricing information supplied with the proposal must be valid for at least 90 days after the due date for proposal submission. All one-time and recurring costs must be fully described. Prices should be quoted both inclusive and exclusive of all applicable taxes, showing separately costs of inspection, services, transportation, labor, equipment, provincial/federal taxes, duties if any, and other levies. Bidders shall accurately reflect all applicable taxes by specifying the exact percentage applicable under each tax category.

Where a bidder is eligible for any tax exemption, relief, or reduced withholding rate, the bidder must expressly disclose the same in its financial proposal, clearly identifying the relevant exemption or relief. Karandaaz Pakistan shall not be responsible for any erroneous calculation of tax rates. All differences arising out of the above shall be fully borne by the successful bidder. In case the bidder does not identify inclusion of applicable taxes in the proposal, it shall be assumed that the quoted price is inclusive of all applicable taxes.

The financial proposal must be in line and rationalized with the proposed implementation strategy submitted in the technical proposal corresponding to the scope of work given in this RFP.

Kindly submit signed and stamped copies of both the technical and financial proposals.

11. Currencies of Bid, Contract and Payment

The bids shall be submitted in PKR, or in USD provided that the bidder does not have an office or presence in Pakistan. The unit rates and prices quoted by the bidder in USD shall be converted into PKR using the prevailing rate of exchange published on the website of the State Bank of Pakistan, on the date of opening of financial bid. All the bids shall be evaluated in PKR. Unless mutually agreed otherwise:

- a. the successful bidder will be offered the contract in PKR and invoices shall be in PKR.
- b. However, if the successful bidder does not have an office in Pakistan, the invoices may be submitted in USD. Any invoice received in USD will be converted into PKR using the exchange rate locked in the contract and the payment will be made in USD.
- c. The cumulative payments to bidder whether in PKR or USD, using whatever exchange rate, shall not exceed the PKR amount agreed in the contract.

12. Proposal Validity

Proposals shall remain valid for a minimum of ninety (90) days after the proposal submission deadline date established by Karandaaz Pakistan. A proposal valid for a shorter period shall be rejected as non-responsive.

13. Proposal Security

A proposal security may be required depending on the nature and value of the work. If required, the amount, form, and validity period shall be specified in the invitation letter or addendum.

14. Alternative Proposals

Alternative proposals shall not be considered.

15. Format, Signing, and Submission of Proposal

The bidder shall prepare and submit scanned and hard copies of the documents comprising the proposal as specified in Clause 10. Each document shall be signed by a person duly authorized to sign on behalf of the bidder and all pages of the proposal

shall be initialled. The proposal shall contain no alterations or additions except those necessary for complying with instructions issued by Karandaaz Pakistan, or as are necessary for correcting errors made by the bidder, in which case such corrections shall be initialled by the person or persons signing the proposal.

16. Deadline for Submission of Proposals

Proposals must be received by Karandaaz Pakistan on or before the deadline stated in the invitation letter. Karandaaz Pakistan may extend the deadline for submission of proposals by issuing an amendment in accordance with Clause 8 of Section 2.

17. Late Proposal

Any proposal received after the deadline for submission of proposals prescribed in Clause 16 of Section 2 will be considered only at the sole discretion of the evaluation team. Any decision by the evaluation team in this regard shall be deemed final.

18. Withdrawal, Substitution, and Modification of Proposal

Bidders may withdraw, substitute, or modify their proposal by giving notice in writing before the deadline for submission of proposal. Each bidder's withdrawal, substitution, or modification notice shall be prepared, sealed, marked, and delivered in accordance with Clause 15 of Section 2 with the subject line: Responding to RFP for "Hiring of a Contractor/Firm for Construction, Renovation, and Fit-Out Works for Karandaaz Pakistan" "WITHDRAWAL," "SUBSTITUTION," or "MODIFICATION" as appropriate. No proposal may be substituted or modified after the deadline.

D. Proposal Opening and Evaluation

19. Proposal Opening

Karandaaz Pakistan shall open the proposals, including modifications made pursuant to Clause 18 of Section 2, on any day after the deadline stipulated in Clause 16 of Section 2 or the extended deadline, as the case may be.

20. Confidentiality

Information relating to the examination, evaluation, comparison, and post-qualification of proposal, and recommendation of contract award, shall not be disclosed to bidders or any other third persons whatsoever, prior to publication of the contract award. Any effort by a bidder to influence Karandaaz Pakistan in the examination, evaluation, comparison, and post-qualification of the proposal or contract award decision may result in the rejection of its bid.

21. Clarification of Bids

To assist in the examination, evaluation, and comparison of proposals, Karandaaz Pakistan may, at its discretion, seek clarifications in writing and/or through a presentation in respect of the proposal from any bidder. The request for clarification and the response shall be in writing, but no change in the price or substance of the

proposal shall be sought, offered, or permitted except correction of arithmetical errors discovered by Karandaaz Pakistan in the evaluation of the proposals.

22. Preliminary Examination of Proposals

Prior to the detailed evaluation of proposals, Karandaaz Pakistan shall first review each proposal and check the power of attorney or any other form of delegation of authority demonstrating that the representative has been duly authorized to sign the proposal, initialization of all pages, and completeness of documents.

23. Determination of Bidder's Eligibility and Qualifications

Karandaaz Pakistan's determination of a proposal's responsiveness shall be based on the contents of the proposal itself. A substantially responsive proposal is one which conforms to all the terms, conditions, and specifications of the RFP, without material deviation or reservation.

24. Evaluation of Technical Proposal

Each proposal that meets all mandatory requirements and is not rejected for reasons stated in these instructions will be given a technical score.

The evaluation criteria, relevant sub-criteria, and point system to be used to evaluate the technical proposals shall be as follows:

Proposal Evaluation Phase

Proposal Evaluation Phase	Evaluation Methods	Evaluation Score
Technical Evaluation	Desk Review of Proposals	50
	Presentation of Proposals	20
	Finalization of Technical Evaluation Score (A + B)	70
Financial Evaluation	Evaluation of Financial Bids	30
Project Award	Finalization of Proposal Evaluation (C + D)	100

High Level Criteria	Detailed Sub-Criteria	Score
Understanding of the scope	Demonstrated clear understanding of the project scope, site constraints, construction sequence, and deliverables.	10
Proposed methodology	Proposed methodology and approach for construction, renovation, fit-out works, quality assurance, and worksite management.	12
Relevant experience	Proven delivery of comparable construction/fit-out works with at least three verifiable references.	13
Team profile	Detailed proposed project team, including roles, responsibilities, and allocation within the assignment.	10
Work plan and delivery schedule	Realistic timeline, phased execution plan, and milestone tracking.	5
a. Sub-Total: Desk Review of Technical Proposals		50

Desk Review of Proposal (50 points)

This is the first stage of the proposal evaluation process. Proposals will undergo a technical review by a technical evaluation committee. In the desk review phase, proposals will be evaluated against the following criteria:

A. Presentation

Proposals that attain a score of 35 and above out of 50 points in the desk review phase will proceed to the presentation stage. Bidding entities that qualify for the presentation stage will be invited to present their proposals in detail, addressing any concerns or questions posed by the evaluation committee. The presentation round will have a total score of 20 points. Bidders will be evaluated based on how well they present their proposals and respond to the concerns and questions posed by the technical evaluation committee. During the presentation stage, the score for the desk review may be revised based on the assessment of the technical evaluation committee.

B. Finalization of Technical Evaluation Score

Based on the presentation and the desk review of proposal, the final technical evaluation score will be determined as depicted below:

Technical Evaluation	Score
Desk Review Stage	50
Presentation	20
Total	70

Bidders that achieve a combined score (Desk review + Presentation) of 55 points and above will progress to the financial evaluation stage.

25. Evaluation of Proposal Price and ranking

The evaluation will be conducted based on:

- Technical Proposal and Presentation (70 points); and
- Financial Proposal (30 points)

Financial proposal submitted will be evaluated according to price reasonableness determination under full and open competition and known market conditions. Evaluation of the financial proposal will consider, but will not be limited to, the following:

- Cost reasonableness;
- Consistency with the technical proposal.

Financial Score to be calculated as:

30 points will be awarded to the lowest responsive bidder while rest of the bids will be allocated points according to the following formula:

$$\text{Points of a Bidder} = (P1 / P2) * 30$$

Where:

P1 = Price of Lowest Responsive Bidder

P2 = Price of the Bidder

Karandaaz Pakistan may also negotiate the price and terms and conditions with the short-listed/highest (combined technical and financial) scored bidder to obtain the best techno-commercial outcome. If the outcome of the negotiation is unsuccessful or an agreement is not reached with the top ranked bidder, Karandaaz may then negotiate with the next in-line bidder and so on down the list as per rank until a satisfactory outcome is achieved.

26. Correction of Errors

All proposals determined to be substantially responsive shall be checked by Karandaaz Pakistan for any arithmetical errors. Errors shall be corrected by Karandaaz Pakistan as follows: where there is a discrepancy between the amounts in figures and in words, the amount in words shall govern.

27. Currency for Price Evaluation

For evaluation and comparison purposes, Karandaaz Pakistan shall convert all proposed prices expressed in USD into an equivalent amount in PKR, using the selling exchange rates established by the State Bank of Pakistan on the date of financial proposal opening specified in Clause 19 of Section 2.

E. Award of Contract

28. Award Criteria

Karandaaz Pakistan shall award the contract to the bidder whose proposal has been determined to be substantially responsive to the RFP and which has the highest combined technical and financial score and is most advantageous to Karandaaz.

29. Karandaaz Pakistan's Right to Accept any Proposal and to Reject any or all Proposals

Bidders whose bid is evaluated successful will be notified of award and unsuccessful bidders will also be intimated via regret emails. Karandaaz Pakistan shall observe a 7 calendar days standstill period after intimation of results. Karandaaz Pakistan reserves the right to cancel the bidding process and to reject all bids or to accept or reject any bid, at any time prior to the award of contract, without thereby incurring any liability to the affected bidder or bidders.

30. Complaints Pertaining to Bidding Process

Without prejudice to Clause 29 of Section 2, any complaint at any stage of the bidding process or on conclusion of the bidding process from a bidder regarding a deviation from the prescribed procurement procedure may be addressed and delivered in writing to Karandaaz Pakistan at the designated complaints address.

31. Notification of Award and Signing of Agreement

The bidder whose proposal has been accepted shall be notified of the award by Karandaaz Pakistan prior to expiration of the proposal validity period through a communication in writing (the "Letter of Acceptance"). The said Letter of Acceptance shall state the full value of the contract payable by Karandaaz Pakistan in consideration of the services to be provided in accordance with the RFP. The contract pursuant to the award shall incorporate all agreements between Karandaaz Pakistan and the successful bidder and shall be signed by Karandaaz Pakistan and sent to the successful bidder following the date of the Letter of Acceptance. The successful bidder will duly sign the contract and return it to Karandaaz Pakistan within seven (7) days of the receipt of the Letter of Acceptance.

SECTION 3. PROCUREMENT POLICY – BIDDER CONDUCT

32. Corrupt or fraudulent practices

Bidders, suppliers, contractors and their agents, suppliers, and any personnel thereof, shall observe the highest standard of ethics during the procurement and execution of contracts. Any effort by the bidder to influence Karandaaz Pakistan in the examination, evaluation, comparison, post-qualification of the proposals, or contract award decisions will result in the rejection of its proposal. Karandaaz Pakistan shall not award the contract if it is determined that the bidder, or any of its personnel, or its agents, or its suppliers and/or their employees, has, directly or indirectly, engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices in competing for the contract in question.

33. Avoidance of conflict of interest

Any bidder participating in the procurement process should disclose any actual or perceived conflict of interest situation/condition. Any bidder with a conflict of interest shall be ineligible for award of a contract. A bidder shall be considered to have a conflict of interest in a procurement process if:

- a. Such bidder is providing goods, works, or non-consulting services resulting from or directly related to consulting services for the preparation or implementation of a project that it provided or was provided by any affiliate that directly or indirectly controls, is controlled by, or is under common control with that bidder; or
- b. An entity can participate only in one bid: as a single bidder, as a lead in a consortium/joint venture or as a partner in a consortium/joint venture; or
- c. Such bidder (including its personnel) has a close business or family relationship with one or more professional staff of Karandaaz Pakistan who are directly or indirectly involved in the preparation of the bidding documents or specifications of the contract, and/or the bid evaluation process, or who would be involved in the implementation or supervision of the contract.

34. Duty of care

The successful bidder in performance of services for Karandaaz Pakistan shall exercise a duty of care. Duty of care holds the successful bidder responsible for the safety and well-being of its personnel and any third party affected by its activities.

35. Related parties

Any bidder participating in the procurement process should disclose whether they are a Related Party of Karandaaz Pakistan. Transactions with related parties shall be on purely commercial terms and in accordance with Karandaaz Pakistan's internal approval process.

1. Site Assessment and Mobilization

- Conduct site inspection and verify measurements.
- Review drawings, specifications, and material requirements.
- Mobilize labor, equipment, and project management resources.
- Prepare a work program and execution plan.

2. Civil and Structural Works

- Demolition and dismantling where required.
- Masonry, plaster, floor repair, wall finishing, and related works.
- Minor structural reinforcements, if approved.
- Waterproofing and repair works as required.

3. Interior Fit-Out Works

- Partitioning and gypsum board installations.
- Ceiling systems and decorative finishes.
- Painting, wall treatments, and surface preparation.
- Door, frame, glazing, and hardware installation.
- Carpentry and joinery works.

4. Electrical and Low Voltage Works

- Wiring, cabling, switches, sockets, DB alterations, and lighting fixtures.
- IT/data conduit coordination where applicable.
- Testing and commissioning of all installed electrical works.

5. Mechanical and HVAC Coordination

- Coordination with HVAC systems where required.
- Minor duct adjustments, grills, and support works.
- Testing of cooling and ventilation coordination points.

6. Plumbing and Sanitary Works

- Sanitary fixtures, piping, fittings, drainage, and repair works.
- Water supply coordination and final testing.

7. Furniture and Finishing Integration

- Coordination with furniture layout and office usability requirements.

- Site finishing, touch-ups, and snag rectification.
- Cleaning and handover readiness.

8. Health, Safety, and Environmental Compliance

- Site safety plan, PPE usage, barricading, signage, and waste disposal.
- Fire safety and emergency readiness.
- Safe working practices in occupied premises.

9. Quality Assurance

- Material approvals before use.
- Stage inspections and sign-offs.
- Testing, snagging, and rectification prior to handover.

10. Documentation and Handover

- As-built drawings, completion report, warranty documents, and defect list.
- Handover certificate and completion dossier.

Project Governance Structure

The successful bidder shall establish and adhere to a structured project governance and engagement framework to ensure alignment, transparency, and implementation-focused delivery throughout the duration of the assignment. A formal project kick-off meeting will be held before work begins. A steering committee may be constituted to review progress, resolve issues, and approve key milestones. A working group comprising Karandaaz representatives and the contractor shall meet regularly to review progress, quality, and risks.

Project Timeline and Deliverables

The following timeline is indicative and may be refined based on the final site assessment:

Deliverable No.	Description	Tentative Timeline & Payment
1	Detailed inception report and mobilization plan	10% of total contract value (Week 1)

Deliverable No.	Description	Tentative Timeline & Payment
2	Site survey, measurements, and execution drawings	10% of total contract value (Week 2)
3	Completion of demolition and civil works	15% of total contract value (Week 4)
4	Completion of electrical, plumbing, and MEP rough-in	15% of total contract value (Week 6)
5	Completion of fit-out, finishing, and fixtures	20% of total contract value (Week 8)
6	Snag closure, testing, and pre-handover inspection	15% of total contract value (Week 10)
7	Final handover, as-built documents, warranties, and completion certificate	15% of total contract value (Week 12)

Note: This is a tentative flow of work and timeline; however, the proposals will need to showcase their detailed workplans with effective reporting and timelines.

SECTION 5. GUIDING PRINCIPLES ON CONTRACT TERMS AND CONDITIONS

1. Introduction

The following section contains highly preferred guiding principles of the contractual terms and conditions, which the successful bidder should adhere to. Please note that the detailed terms and conditions will be finalized during the contracting phase with the selected bidder.

2. The Bidder

2.1. The successful bidder must comply with all relevant laws, rules and regulations prevailing under Pakistani laws.

2.2. The responses submitted by the bidder to the RFP represent a firm offer to contract on the terms and conditions described herein.

2.3. The proposal must be signed by the authorized person according to the laws of the jurisdiction of its incorporation/registration and according to the laws of Pakistan, to commit the bidder to the terms and conditions of the RFP.

2.4. The bidder must disclose at the earliest any actual or potential conflict of interest with Karandaaz Pakistan.

2.5. The members of the joint venture shall be jointly and severally liable to Karandaaz Pakistan for the execution of the Services in accordance with the terms of the RFP document.

2.6. The bidder shall be deemed to have carefully examined the RFP document to its satisfaction. Any lack of information shall not in any way relieve the bidder of its responsibility to fulfill its obligations under the RFP.

3. Ownership of Intellectual Property Rights

3.1. All drawings, designs, plans, specifications, reports, and related project documents developed during the course of the Services shall be assigned irrevocably and exclusively to Karandaaz Pakistan.

3.2. The successful bidder shall assign these Intellectual Property Rights to Karandaaz Pakistan for unlimited and unfettered use for any purpose whatsoever, and without any limitations whatsoever.

3.3. The successful bidder shall from the date of signing the contract and until the end of its term do all such things that may be necessary or desirable to vest in Karandaaz Pakistan the full benefit of the items and Intellectual Property Rights referred to above.

4. Fraud, Corruption and Terrorism

Karandaaz Pakistan will have zero tolerance approach towards fraud and fraudulent behavior during the procurement process and the implementation of the project itself and will reject a proposal for award if it determines that the lead bidder or any

of the agents, suppliers, or personnel recommended for an award have engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices.

5. Subcontractor

The successful bidder shall not utilize the services of any subcontractor as part of the contract unless expressly approved in writing.

6. Order Cancellation

Karandaaz Pakistan reserves the right to cancel the contract in the event of delay in provision of Services beyond the specified period, serious discrepancy in quality of service, false or misleading statements, non-compliance with laws or certifications, or failure to comply with the subcontracting restrictions.

7. Compliance with Applicable Laws

The successful bidder shall observe, adhere to, abide by, comply with, and notify Karandaaz Pakistan about all laws, already in force as are made applicable in the future, pertaining to or applicable to them, their business, their employees, or their obligations toward them and all purposes of this project.

8. Representations and Warranties

The successful bidder shall represent and warrant to Karandaaz Pakistan as follows:

- a. The proposal is signed by the authorized person, according to the laws of Pakistan, to commit the bidder to the terms and conditions of the RFP.
- b. It will not contravene any provision of its documents of incorporation by submitting its proposal under this RFP.
- c. It and its joint venture members, agents, suppliers, or employees will not violate any law, rule, regulation, or order applicable to them.
- d. It and its joint venture members, agents, suppliers, or employees possess the skills, experience, expertise, and ability to undertake and fulfill their obligations under all provisions of this RFP.
- e. Any services, functions, or responsibilities not specifically described in this RFP which form an inherent or necessary part of the deliverables shall be deemed included without additional cost.
- f. The entry into and performance according to this RFP by the successful bidder will not breach any contractual obligation owed to any third party.
- g. It and its joint venture members, agents, or employees shall obtain and maintain all registrations, approvals, licenses, and permissions required by law.
- h. It and its joint venture members, agents, or employees shall not infringe any intellectual property rights of third parties.
- i. It and its agents, suppliers, or employees neither have nor will engage in money laundering, terrorist financing, weapon smuggling, anti-state activities, or links with proscribed organizations.
- j. It shall timely and diligently participate in all meetings required by Karandaaz

Pakistan.

k. It and its joint venture members, agents, suppliers, and employees shall observe the highest standard of ethics during the term of the contract.

l. It shall exercise duty of care for the safety and wellbeing of its personnel and any persons affected by the work.

9. Indemnity

The successful bidder shall indemnify, protect, and hold Karandaaz Pakistan harmless from and against all claims, losses, costs, damages, expenses, and liabilities arising from acts or omissions of the bidder, its agents, employees, or suppliers in the execution of the project, including negligence, misconduct, breach of confidentiality, infringement, or loss arising from performance under the contract.
